CHRISTIE

Modular Series
Triple Barbecue

Christie Modular Series barbecues set the benchmark for pre-fabricated public barbecue surrounds. They are versatile, compact, easy to assemble, and very tough - to withstand even the harshest environments and continued use.

KEY FEATURES:

- Award winning, High-efficiency CC2 cooktop with mono-pressed, stainless steel hotplate
- Hygienic stainless-steel benchtop with low-impact corner inserts for added safety
- Heavy duty aluminium, concrete, stainless construction for ultimate durability
- Mix and match panel colours, extra modules, cooktops and sinks for your ideal configuration
- Select additional access doors for extra storage facility
- Flat-packed for easy site access and reduced freight costs
- Fast, simple assembly by any competent person
- Optional cabinet allows for LPG (bottled) gas storage

Modular barbecue frames and doors come powder coated in Aztec Silver as standard for maximum durability, with other colours available at additional cost.

Panels are available in a range of standard colours. Custom panel colours may occur additional cost.
